

CMBEC46 / CESO 2024 Call for Papers

Dear Colleagues,

We are thrilled to announce the forthcoming 46th Canadian Medical and Biological Engineering Conference (CMBEC46) joined with the Clinical Engineering Society of Ontario 2024 Conference (CESO 2024).

Mark your calendars for this extraordinary event, scheduled to take place at the prestigious DoubleTree Hotel, by Hilton in downtown Toronto, ON, from **May 28th to 30th, 2024**. This momentous occasion stands as the pinnacle gathering for biomedical engineering professionals across Canada!

We welcome your submissions of short (2-4 page) papers or 1-page abstracts on a broad range of topics related to biomedical engineering. Two paper competitions, one for Outstanding Research and the other for Student Papers, will be held to recognize the authors of the highest-ranked papers with cash prizes.

The **extended** deadline for submissions is **January 22, 2023**. Please link to the official Call for Papers for full details and an active link to the PKP online paper management system. (An image of the Call for Papers is also displayed below.)

We look forward to receiving your submissions.
Best regards,

Azadeh Yadollahi,
Associate Professor, University of Toronto
Academic Stream Co-Chair, CMBEC46 / CESO 2024

Jan Andrysek,
Associate Professor, University of Toronto
Academic Stream Co-Chair, CMBEC46 / CESO 2024

Murat Firat,
Manager, Biomedical Engineering, Sunnybrook Health Sciences Center
Conference Chair, CMBEC46 / CESO 2024
