*A Proclamation:
National Biomedical/Clinical Engineering Appreciation Week*

WHEREAS, the continuously advancing medical technology for a better and safer patient care, today and in the future makes it essential that those individuals responsible for care, safety and accuracy of this equipment are recognized as an invaluable resource to the Canadians; and

WHEREAS, biomedical engineering technologists/technicians, clinical/biomedical engineers, and other medical technology professionals uniquely serve patients, the medical community, and new technology development to improve the quality of Canada's healthcare; and

WHEREAS, these professionals research, recommend, install, inspect, and repair medical devices and other complicated medical systems, as well as advise and train others concerning the safe and effective use of medical devices, thereby controlling health care costs and improving patient safety; and

WHEREAS, CMBES Professional Affairs Committee seeks to advance the interests of biomedical equipment technologists/technicians, clinical/biomedical engineers, and other medical technology professionals; and

NOW, the CMBES hereby proclaims May 20 - 26, 2018, as National Biomedical/Clinical Engineering Appreciation Week.
